

PASTOR BENNY HINN

Dear Partner,

I come to you with a broken heart.

You may have heard by now that my wife, Suzanne, whom I love very much and always will, filed for divorce on February 1. Even though Suzanne has been under great stress, the children and I never expected this to happen.

Divorce was the last thing on my mind and theirs.

It was a total shock when her lawyer called me the morning of February 17 to inform me that she had filed 16 days before. Suzanne never gave the family even a hint that this was on her mind. Even to this moment, the children and I don't know why she did it.

Neither did her parents know, until I told them myself on the 17th.

As I said earlier, I love my wife, and I am praying that the Lord Himself will take care of this and bring healing to my precious family.

I also want you, my very dear partner, to know that there was absolutely no immorality involved in my life

or in Suzanne's, ever. We both kept our lives clean and were totally committed to each other for 30 years of marriage.

My wife has no biblical grounds for what she has done.

We both have kept our covenant with God and stayed pure before Him, and I am praying with all my heart that our precious Lord Jesus will heal my family and protect His work for His glory.

I want you, as my partner in this ministry, to know that I am going to continue preaching the Gospel and praying for the sick as I have for 36 years. I will not allow anything to slow me down or stop me.

My commitment to my precious Jesus is forever, and nothing will ever change that. I know He will protect His precious name, and glory and honor will be given to Him forever.

And now I ask you, as my partner whom I love and appreciate very much, to pray for Suzanne, for our family, and for me, that the Lord will strengthen us and keep us, and that His will be accomplished in our lives always.

My precious children, whom I love very much—Jessica,

Natasha, Joshua, and Elesha—and I thank you for all you have done and continue to do for the glory of our precious Redeemer and Savior, Jesus, God's precious Son.

In closing, I want you to know that my children and I are doing well. I am going to pray and do everything as a dad to make sure that my children and my grandchildren fulfill their destinies in God and bring glory to the name of Jesus all the days of their lives.

Thank you again for your prayers and support...

I love you very much,
